Dear Ms. Solum:

This acknowledges the receipt of your January 10, 2002 letter requesting amendment of 49 CFR 172.203(c) and 172.324(a). Specifically, you state that when a Class 7 (radioactive) material is also a hazardous substance, the name of the hazardous substance should be entered, in parentheses, in association with the basic description on the shipping paper and marked on the package.

Your request has been assigned number P-1427. This number is for tracking purposes only. Your request has not been assessed for merit. If accepted under 49 CFR 106.31 as a petition for rulemaking, it will be considered for a future rulemaking action.

If you write or call us regarding this petition, please make refer to this number.

Sincerely,

A handwritten signature in cursive script that reads "Gail L. Twitty".
